

KICKIN' ASPHALT

The image features the phrase "KICKIN' ASPHALT" in a highly stylized, bubbly graffiti font. The letters are filled with a vibrant lime green color and outlined with a thick, greyish-white border. Below the text, two feet wearing blue sneakers with brown laces are depicted as if they are kicking or stepping on a surface. From the soles of these shoes, bright red and orange flames erupt, extending outwards and upwards. The entire composition is set against a solid black background, which makes the colors of the text and flames stand out prominently.
